

# Now You're Gone

## Basshunter

Now your gone I realized my love for you was strong  
And I miss you here now you're gone I keep waiting here by the phone  
With your pictures hanging on the wall Now you're gone I realized my love for you was strong  
And I miss you here now you're gone I keep waiting here by the phone  
With your pictures hanging on the wall Is this the way it's meant to be?  
Only dreaming that you're missing me I'm waiting here at home  
I'll be crazy now you're gone  
There empty place in my heart  
It won't alarm me, it will break apart It won't heal, it never fades away  
I'll think about you everyday Now you're gone I realized my love for you was strong  
And I miss you here now you're gone I keep waiting here by the phone  
With your pictures hanging on the wall Is this the way it's meant to be?  
Only dreaming that you're missing me I'm waiting here at home  
I'll be crazy now you're gone Now you're gone I realized my love for you was strong  
And I miss you here now you're gone  
I keep waiting here by the phone  
With your pictures hanging on the wall Is this the way it's meant to be?  
Only dreaming that you're missing me I'm waiting here at home  
I'll be crazy now you're gone There empty place in my heart  
It won't alarm me, it will break apart It won't heal, it never fades away  
I'll think about you everyday
