Body operation like Kardashian  
Then I'm in your game, now 6ix9ine run  
I was in the trenches with the fiends and the killas  
I was in the slum movin' cool with my ninas  
Shout out to my amigo, let the plug with the kilos  
Now my diamond drippin' like that water Aquafina, oh

She know my body, like the way I move  
That punani, yeah, she got that woo
