

# Moment of Surrender

U2

I tied myself with wire  
To let the horses roam free  
Playing with the fire  
Until the fire played with me  
The stone was semi-precious  
We were barely conscious  
Two souls too smart to be  
In the realm of certainty  
Even on our wedding day  
At the moment of surrender  
I folded to my knees  
I did not notice the passers-by  
And they did not notice me  
I've been in every black hole  
At the altar of the dark star  
My body's now a begging bowl  
That's begging to get back, begging to get back  
To my heart  
To the rhythm of my soul  
To the rhythm of my unconsciousness  
To the rhythm that yearns  
To be released from control  
I was punching in the numbers at the ATM machine  
I could see in the reflection  
A face staring back at me  
At the moment of surrender  
Of vision over visibility  
I did not notice the passers-by  
And they did not notice me  
I was speeding on the subway  
Through the stations of the cross  
Every eye looking every other way  
Counting down 'til the pain would stop  
At the moment of surrender  
Of vision over visibility  
I did not notice the passers-by  
And they did not notice me
