

Low

Carrie Underwood

[Verse 1]

Like a cigarette without a light
Like a whipper wheel without the night
A broken buzz that's lost it's high
Oh, baby, that's what I feel like [Chorus]

I'm so low, I'm so low [Verse 2]
Like a diamond ring without a stone
Like a guitar without a song
Everything that was right is wrong
Ever since, baby, you been gone

[Chorus]

I'm so low, I'm so low
Yeah, I'm low and blue
I'm so lonesome for you [Bridge]

Oh, yeah

Oh, whoa, oh

Yeah, yeah

Oh, I've hit rock bottom, I'm in it deep
I can't get no air, I can't get no sleep, without you by my side
I tried to see the light, baby, but I can't
'Cause way down here in the world I am, the sun don't shine

[Chorus]

'Cause I'm low, low, low, low
I'm so low

I'm so tangled up and blue
I'm so lonesome for you
And I don't know what to do
'Cause I'm so lonesome for you
Yeah, I'm so lonesome for you
