

# Knock Knock

## Monica

It's funny how the tables turn, turn, turn, turn So upset  
This that hot new  
Uh huh  
Yeah

New Monica It's funny how the tables turn now its you running after me  
Didn't wanna spent quality time, didn't think I would ever leave  
You got way to comfortable, now you say you want me in your life  
Cuz I packed up all my shit and im moving in my new place tonight  
So don't you come Knock Knock Knock  
Stop knocking don't come knocking at my door  
Ring Ring Ring  
Let the phone stop I don't want you calling me no more  
Boy it's a dangerous game to try and play a chick like me  
Wanna go out and do your thang I will be out for ya count to three  
So do just what you want, anytime that you really like  
I put a payment on my place, you be sleeping alone tonight  
So don't you come knocking Knock, Knock, Knock  
Stop knocking don't come knocking at my door  
Ring Ring Ring  
Let the phone stop I don't want you calling me no more

I used to be so gone  
You were some one I could lean on  
My life support system  
And I thought I couldn't breathe ah ah  
When you used to leave yep yep  
I see you put yo clean on  
Big chains gold teeth and yo gleam on  
All night wanna be gone  
Wanna tell me stay home like I got a ah ring on  
Now you say im not your wife right right  
So why should I be chillin goodnight goodnight  
Now pack up my things for a flight  
I got a place and it's fixed up nice  
So don't come knocking at my door  
I got company comin around four  
So wo wo  
I don't want you calling me no more  
Knock Knock Knock  
Stop knocking don't come knocking at my door  
Ring Ring Ring  
Let the phone stop I don't want you calling me no more Changed my locks

Took my things  
Cant come in  
Changed my locks  
Took my things  
Cant come in

I don't want you calling me no moreHey this Monica leave a number after the beep

Aye yo Mo pick up the phone man,  
this old raggedy cellular phone sound like an old alarm clock  
old switch board line phone.

Do you even have call waiting on this joint.  
Call me back ya late for the studio, this Miss.
