

All In (feat. Georgia Ku & JRM)

Bearson

[Verse 1: JRM]

Heart breaker

Can we take a walk somewhere?

Sit down have talk somewhere?

I know there's a heart?in?there, I bet

Heart?breaker

Have you ever danced on the?moon?

If anybody has, I know it's you

I won't even ask you to let me do it, I swear[Pre-Chorus: JRM]

It doesn't even matter

If you knew how my day went

You might understand why I'm going all in, all in, all in

Let's cut through the chatter

If you came to make a statement

I'll put it in your hand

Just give me one shot and I'm going all in

[Chorus: JRM]

All in, all in, all in, all in, all in, all in

All in, all in, all in, all in, all in, all in

All in, all in, all in, all in, all in, all in

All in, all in, all in, all in, all in, all in[Verse 2: Georgia Ku]

Heart breakers

They don't ever talk like this

I've heard all your promises

I've already dealt with this, I get it

Heart breakers

This ain't really what I do

I'm gonna take a chance on you

If you get the chance

Well, you a lucky dude, I swear

[Pre-Chorus: Georgia Ku & JRM, JRM]

It doesn't even matter

If you knew how my day went

You might understand why I'm going all in, all in, all in

Let's cut through the chatter

If you came to make a statement

I'll put it in your hand

Just give me one shot 'cause I'm going all in[Chorus: Georgia Ku & JRM]

All in, all in, all in, all in, all in, all in

All in, all in, all in, all in, all in, all in

All in, all in, all in, all in, all in, all in

All in, all in, all in, all in, all in, all in[Bridge: JRM]

Who's gonna lay you down?
Who's gonna set the mood right now?
Who's gonna make a move right now?
Just give me one shot, I'm all in
Keep picking through the crowd
If that's what you wanna do right now
I'm tryna make a move right now
Just give me one shot, I'm all in[Chorus: JRM, Georgia Ku & JRM]
All in, all in, all in, all in, all in, all in
All in, all in, all in, all in, all in, all in
All in, all in, all in, all in, all in, all in
All in, all in, all in, all in, all in, all in
All in, all in, all in, all in, all in, all in
All in, all in, all in, all in, all in, all in
