

Cocaine (feat. Left Brain)

The Internet

Hey baby. Where you going?
You look good to me.
You look good to me.
Walking by yourself.
Maybe I can help
I wanna, I wanna,
Do you wanna do some cocaine?
I wanna, I wanna,
Do you wanna do some cocaine?
Baby just ignore the consequence,
You look like you could use a little confidence.
So follow me into a better dream in paradise.
And now that you know what this feeling's like,
You know you can have it for the rest of your life.
Just follow me, just follow me
She high as f*ck up in my truck,
Shocked up looking for a b*tch to f*ck.
I'm high on coke, she high on coke.
Coast to coast baby float my boat,

Got coke to sniff and weed to roast.
Plus no need to boast; let's snort
Two in the back, one in the front,
Do you wanna ride in my car
I wanna, I wanna,
Do you wanna do some cocaine?
I wanna, I wanna,
Do you wanna do some cocaine?
Hey don't trip
I'll just try it once
I wanna, I wanna,
Don't worry
I wanna, I wanna,
Just follow me
Baby just ignore the consequence,
You look like you could use a little confidence.
So follow me into a better dream in paradise.
And now that you know what this feeling's like,
You know you can have it for the rest of your life.
Just follow me, just follow me
