

To My Lowest

YoungBoy Never Broke Again

I'm from the crossroads
(Drell on the track)
Yeah, oh-oh
Oh You hurt me deep when I was down on my lowest
I needed you, you ain't give a fuck 'bout me growing
All this pain I've been showing
I ain't never stop, just keep on flowin'
It ain't a thing that can break our bond, ooh
If you my friend, then you got trust funds
It ain't no reason another man should have to raise my son
Can't let you bleed and another man shouldn't have to bust your gun
Yeah, fuckin' on someone else and textin' like you want me, disrespectful
You playin' with my intelligence, you should be tryna better me
It ain't been six months, you fucked someone then try and bein' extra
You ain't a woman tellin' lies, but, shit, I guess that's 'cause you're scared of me
Written in my eyes, pedigree
I ain't in no kennel, I'm a dog tryna feed my needs
I'm startin' to think I drunk too much of lean
I been fallin' out, ain't crying loud, no one to comfort me
Suffer from somethin', you don't love me
Once you thug me, I say, "Fuck you"
Even though after I still be feelin' wrong
Lookin' in your eyes, I see trouble
I can tell that you been thuggin'
I don't wanna talk to you, just leave me 'lone
You hurt me deep when I was down on my lowest
I needed you, you ain't give a fuck 'bout me growing
All this pain I've been showing
I ain't never stop, just keep on flowin'
It ain't a thing that can break our bond, ooh
If you my friend, then you got trust funds
It ain't no reason another man should have to raise my son
Can't let you bleed and another man shouldn't have to bust your gun I'd do anything for you
(Anything)
Fuck that nigga, he can't do anything for you
Mistreatin' me, bitch, you could leave, I ain't do you nothing
Tell that you lying 'cause you get loud when we start fussin' (I ain't gon' hit you)
If that's my brother, we get money, fuck another
It go up, then we gon' shoot this bitch down with each other
You don't fuck with me, I ain't takin' care of you
I'm invested in my step
When I ain't with you, feel less than me

But stay at distance for the better
Startin' to give up on stolen treasure
I make you mine, how many niggas can say they been with you?
I ain't no different, but it hit different when the women do
It fuck with me, you ain't right here, and you know it do
Can't wait 'til I get over you, for the swearin' that it be the truth
When I say I ain't even notice you You hurt me deep when I was down on my lowest
I needed you, you ain't give a fuck 'bout me growing
All this pain I've been showing
I ain't never stop, just keep on flowin'
It ain't a thing that can break our bond, ooh
If you my friend, then you got trust funds
It ain't no reason another man should have to raise my son
Can't let you bleed and another man shouldn't have to bust your gun You hurt me deep when I
was down on my lowest
I needed you, you ain't give a fuck 'bout me growing
All this pain I've been showing
I ain't never stop, just keep on flowin'
(Drell's on the track)
