

Life (feat. Ben Onono)

Bob Sinclar

Don't you wanna go with me
And sing my song? Hey hey, yeah
Come and sing my song
Come and sing my song
Come and sing my song So sexy, go crazy, my baby
No maybe if you want me so sexy
Come and sing your song You're so sexy, oh my baby
If you want me
Come and sing my song Pretty young babe
Cost you nothing, take a chance
If you sing my song
I got something
If you want it, you can have it
If you sing my song Hey sexy lady
Let's go crazy, ain't no maybe
If you sing my song Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on Give it to me
Give it to me
Give it to me
I want you too
Give it to me
Give it to me
Give it to me
Give it to me
Come show me Give it to me
Give it to me
Give it to me
I want you too Give it to me
Give it to me
Give it to me
Come on Come on, it on, I work hard for
On a Saturday night
And our future looks so
Live your life Music is in all of our eyes
Shining ride
Love each other all this night
And maybe your last night Don't you wanna go with me?
You sing my song Come and sing my song

Come and sing my song
Come and sing my song You're so sexy, oh my baby
If you want me
Come and sing my song Pretty young babe
Cost you nothing, take a chance
If you sing my song I got something
If you want it, you can have it
If you sing my song Hey sexy lady
Let's go crazy, ain't no maybe
If you sing my song Give it to me
Give it to me
Give it to me
I want you too Give it to me
Give it to me
Give it to me
Come show me Give it to me
Give it to me
Give it to me
I want you too Give it to me
Give it to me
Give it to me
Come on
