

Uma

Panama Wedding

We were searching for an easy way to say to you
But the writings on the wall, oh oh, are
Oh, we've come to see what you say and what you are
But you believed us(?) wanted more(Uma) Why are you hiding?
(Uma) The world isn't crying
(Uma) Oh, I wish I didn't love you but I (ooooo)
(Uma) Better watch what you say
(Uma) When you talk in that way
(Uma) I wish I didn't love you, but I (ooooo)
Pass the public school in an early evening pick-up run
Where's the story of boulevards?
Uma says it's funny how memories, they're like shredding suns
Quietly shaping who we are, are are(Uma) Why are you hiding?
(Uma) The world isn't crying
(Uma) Oh, I wish I didn't love you but I (ooooo)
(Uma) Better watch what you say
(Uma) When you talk in that way
(Uma) I wish I didn't love you, but I (ooooo)We were hoping for a better way to explain to you
But we'd be lying after all, all
There's a Cadillac parked on 32nd Avenue
Shining head-lights on your door
(Uma) Why are you hiding?
(Uma) The world isn't crying
(Uma) Oh, I wish I didn't love you but I (ooooo)
(Uma) Better watch what you say
(Uma) When you talk in that way
(Uma) I wish I didn't love you, but I (ooooo)
