

Fucked With a Knife

Cannibal Corpse

Fucked with a knife

.
no escape from your fate
destined to be mine
every night i wait to see
in the dark, watching
stalking your every move
i know when you're all alone
all alone

.
tied tight to the bed
legs spread open
bruised flesh, lacerations
skin stained with blood
i'm the only one you love
i feel her heart beating
my knife deep inside
her crotch is bleeding

.
she liked the way it felt inside her
fucking her harder, harder

.
she liked the way it felt inside her
fucking her harder, harder

.
stick it in
rip the skin
carve and twist
torn flesh

.
from behind
i cut her crotch
in her ass
i stuck my cock
killing as i cum
