

# Officially Yours

Craig David

Hmm  
Bore bore bore  
What do we have here?  
Uh! Perfect!(1 - T-Pain)  
Na na na, HEY! SHOOP)  
It's  
Been a long time coming  
Now baby  
I'm officially yours  
Na na na SHOOP  
I've got so much love to give  
In my heart I know you see  
(Break 1 - T-Pain)  
You won't believe  
The things  
I've been  
Through to be right here  
I almost died just to get to you  
I'd go to hell  
And to hell again  
I'd badly go back and forth  
From the mountain tops  
From door to door  
Let the whole world know  
(Refrain 1 - T-Pain)  
Baby I'm officially yours  
What was I doing before  
I was official  
Officially yours  
Na na na, SHOOP  
Ooooooh look up further no more  
Now baby im, officially yours  
Now listen to me, HEY!(2 - T-Pain)  
Time after time  
I told myself to stop this  
But you take control over me  
Oooh, you know what to do  
And it's working  
I guarantee it  
Please believe it  
Go from the mountain tops  
Door to door to door

Let the whole world know(Refrain 2 - T-Pain)  
Baby I'm officially yours  
What was I doing before  
I was official  
Officially yours  
Na na na, SHOOP  
Ooooooh look up further no more  
Now baby im officially yours(- T-Pain)  
Na na na, SHOOP)
