

La Di Da

The Internet

I move like the silent g in designer
Real talk, something to say
My groove right, I might snatch up your wife
Smooth like it's nothin' to me
Get out my way, talk if you wanna
Me, Imma gonna preach
I'm a hard act to follow, keep up your animal
Move your feet, enjoy my sweet soirée
Look at me, I'm so suave
Dancing like your name shawty
Hey, why you so worried 'bout me?
No, no, no sir, not today
I just came to dance
Wanna move
I can't with you
Sayin' la di da, la di da
Said, I'm try'na dance
Catch your groove
Not with you
We go la di da, la di da I'm draped in designer, wage with the lineup
Face it, I'm out of your league
No, I'm right beside you, talk, I ain't try'na
Get back, I'm rollin' away
All in my face, chat with you later
Go find your posse, please
I'm a smooth operator, no, I'm your favorite
But let me enjoy my sweet soirée
I'm sorry that I'm so blasé
Why are you dancin' like your name shawty?
Hey, why you so worried 'bout me?
I said no sir, not today
I just came to dance
Wanna move
I can't with you
Sayin' la di da, la di da
Said, I'm try'na dance
Catch your groove
Not with you
We go la di da, la di da
I just came to dance
Wanna move
I can't with you

Sayin' la di da, la di da
Said, I'm try'na dance
Catch your groove
Not with you
We go la di da, la di da Ladies, ladies, ladies, ladies. Please.
There's enough me to go around. I don't bite. Oh me?
You already know what it is. To be honest,
all I really wanna do is take you to the bridge Ooh ooh
Ooh ooh
Ooh ooh
Ooh ooh
Ooh ooh
Ooh ooh
Ooh ooh
