

# Famous

## French Montana

I hope no one discovers you  
Hope no one sees her  
I hope no one falls in love with you  
I've got my reasons  
'Cause if they knew what I know then I know I wouldn't stand a chance  
There's no way you would go for a man like me if you had options  
Even though the world was meant for you  
I hope you don't get famous  
'Cause everyone will love you but won't love you like I do, oh nah  
Hope you don't get famous  
Stay home with me  
Stay home with me  
I'll always love ya, I'll always  
Hope you don't get  
Hope you don't get famous  
Yeah  
Baby live your life, just how you are  
Shining star  
Hope you never get famous  
Fly low with the angel  
I said "fake it 'till you make it"  
I guess you fake when you make it  
I told you "stick to the basics"  
But the empire started from the basement  
If you tryna fix a glass that's broken  
You know it might cut ya  
Never want to see you with another man  
Truth might eat you if your mama know  
When they get too close for playing  
Need your huggin'  
Because nobody gon' love you like I do  
Even though the world was meant for you  
I hope you don't get famous  
'Cause everyone would love you but won't love you like the way I do, oh nah  
Hope you don't get famous  
Stay home with me  
Stay home with me  
I'll always love ya, I'll always  
Hope you don't get

Hope you don't get famous  
Hope you don't get famous  
Hope you don't get famous  
Hope you don't get famous All day long I stand by you  
Right or wrong I stand by you  
Keep me strong, oh girl it's true  
Keep me strong, oh girl it's true Even though the world was meant for you  
I hope you don't get famous  
'Cause everyone will love you but won't love you like I do, oh nah  
Hope you don't get famous  
Stay home with me  
Stay home with me  
I'll always love ya, I'll always  
Hope you don't get  
Hope you don't get famous  
Hope you don't get famous  
Hope you don't get famous  
Hope you don't get famous
