

The Way You Do the Things You Do

UB40

You've got a smile so bright
You know you could have been a candle
I'm holding you so tight
You know you could have been a handle
The way you swept me off my feet
You know you could have been a broom
And babe, you smell so sweet
You know you could have been some perfume
Well, you could have been anything that you
wanted to

I can tell, the way you do the things you do
Alright, the way you do the things you do
As pretty as you are
You know you could have been a flower
If good looks were a minute
You know you could have been an hour
The way you stole my heart
You know you could have been a crook
And baby you're so smart
You know you could have been a school book
Well, you could have been anything that you
wanted to

I can tell, the way you do the things you do
Alright, the way you do the things you do
You make my life so rich
You know you could have been some money
Baby you're so sweet
You know you could have been some honey
Well, you could have been anything that you
wanted to

I can tell, the way you do the things you do
Alright, the way you do the things you do
As pretty as you are
You know you could have been a flower
If good looks were a minute
You know you could have been an hour
The way you stole my heart
You know you could have been a crook
And baby you're so smart
You know you could have been a school book
Well, you could have been anything that you
wanted to

I can tell, the way you do the things you do
Alright, the way you do the things you do
The way you do the things you do
Alright, the way you do the things you do
The way you do the things you do
Alright, the way you do the things you do
The way you do the things you do
Alright, the way you do the things you do
You make my life so sweet

Alright, the way you do the things you do
You make my life so sweet
Alright, the way you do the things you do
You make my life so sweet
Alright, the way you do the things you do
