## Kid Dynamite

Through your terms of endearment,  
refer to her as a "bitch" "slut" a "whore" and a "hole."  
Caress her emotions. Caress her trust.  
Squeeze them tighter then take her soul.  
Polluted by the crimes of my gender,  
she surrenders to the sweetness.  
If I have to spill the water, washing your lies away  
Then I'll do it... I'll do it for her.
