

Drown (2015 Remastered)

Son Volt

What doesn't kill you
makes you wish you were dead
Got a hole in my soul growing deeper and deeper
And I can't take one more moment of this silence
The loneliness is haunting me
And the weight of the world's getting harder to hold up
It comes in waves
I close my eyes
Hold my breath and let it bury me
I'm not okay
and it's not alright
Won't you tread the lake and bring me home again?
Who will fix me now?
Dive in when I'm down?
Save me from myself
don't let me drown Who will make me fine?
Drag me out alive Save me from myself
don't let me drown
What doesn't destroy you
leaves you broken instead
Got a hole in my soul growing deeper and deeper
And I can't take one more moment of this silence
The loneliness is haunting me
And the weight of the world's getting harder to hold up
It comes in waves
I close my eyes Hold my breath and let it bury me
I'm not okay
and it's not alright
Won't you tread the lake and bring me home again?
Who will fix me now?
Dive in when I'm down?
Save me from myself
don't let me drown
Who will make me fine?
Drag me out alive
Save me from myself
don't let me drown
Cause you know that I can't do this on my own
Cause you know that I can't do this on my own
don't let me drown
Cause you know that i can't do this on my own
don't let me drown

Cause you know that i can't do this on my own
don't let me drown
Cause you know that i can't do this on my own
don't let me drown
Cause you know that i can't do this on my own
don't let me drown
Cause you know that i can't do this on my own
Cause you know that i can't do this on my own
don't let me drown...
