

# Toast

## Koffee

Toast

Seh we a come in wid a force  
Blessings we a reap pon wi course  
Ina handful  
We nuh rise and boast  
Yeah we give thanks like we need it the most  
Hafi give thanks like we really supposed  
To be thankful Blessings all pon mi life and,  
Me Thank God fi di journey, di earnings a just fi di plus  
Gratitude is a must

Me see Blessings fall by mi right hand  
Toast to di friends weh tek off heavy load  
One time did sit down ina class and we bored  
Den Oli seh do road and mi gwaan wid di road  
Third form mi seh mek mi try a ting  
And yuh know it formed out to be a fiyah ting  
Now a pon stage wid Chronixx I a sing  
Yeah Yuh Zimme all Diggy soon gi di I a ring  
Like Hello Proto

Him seh "Had to shout yuh  
Saw you post a spectacular photo  
Keep it burning, yes that's the motto  
If me deh bout I pass through your show too" Cya bawl ina life man!  
Haffi thank God fi di journey, di earnings a just fi di plus  
Gratitude is a must

Me see Blessings fall by mi right hand  
Toast to di friends weh tek off heavy load  
From we did sit down ina class and we bored  
Til Oli seh do road and mi gwaan wid di, mi gwaan wid di  
Jah shower blessings upon me  
And seh mi fi tell yuh mi story  
Jah shower blessings upon me  
That's why mi deh give Him the glory  
Mi delighted

Jah know seh me passion ignited  
Cause the music get me excited  
Come in like a potion Blessings all pon mi life and,  
Me Thank God fi di journey, di earnings a just fi di plus  
Gratitude is a must

Me see Blessings fall by mi right hand  
Toast to di friends weh tek off heavy load  
One time did sit down ina class and we bored

Den Oli seh do road and mi gwaan wid di road
