

# Dead Eyes

## In Flames

Throw it all away  
Until we are erased  
And it doesn't mean a thing  
And i cant remember what the skies look like(?)  
Or will i found out that im late for salvation  
What if tomorrow never comes  
Don't let it slip away  
This is my world now  
I cant let you bring me down  
Let this new faith guide me through  
And things will come my way  
Burn it down  
Join the light  
Dead eyes  
Will see again  
Gravity takes control  
Don't forsake my troubled times  
Im starting to regret not telling you all the things that i should have  
Roll the dice  
Just one more time  
Don't let it slip away  
This is my world now  
I cant let you bring me down  
Let this new faith guide me through  
And things will come my way  
Burn it down  
And join the light  
Dead eyes  
Will see again  
I will be reborn  
Im gonna take the world on  
Someday i will  
Im gonna take the world on  
Someday i will  
Throw it all away  
Afraid i will drift on the open sea  
I regret now telling you all the things i should have  
Roll the dice  
Just one more time  
Don't let it slip away  
This is my world now  
I cant let you bring me down

Let this new faith guide me through  
And things will come my way  
Burn it down  
Join the light  
Dead eyes  
Will see again
