

On an Evening In Roma (Sott'er Celo De Roma)

Dean Martin

Come è bello se la luna brilla
Stretti stretti co 'na pupa bella passeggiar
Sotto'er celo de Roma Down each avenue or via, street or strata
You can see 'em disappearing, two-by-two
On an evening in Roma Do they take 'em for espresso, yeah, I guess so
On each lover's arm a girl I wish I knew
On an evening in Roma
Though there's grinning and mandolining in sunny Italy
The beginning has just begun when the sun goes down So please meet me in the plaza near your
casa
I am only one, and one is much too few
On an evening in Roma Don't know what the country's coming to
But in Rome do as the Romans do
Will you, on an evening in Roma (Though there's grinning and mandolining in sunny Italy)
(The beginning has just begun when the sun goes down) Come è bello se la luna brilla
Stretti stretti co 'na pupa bella passeggiar
Sotto'er celo de Roma
Don't know what the country's coming to
But in Rome do as the Romans do
Will you, on an evening in Roma Sott'er celo de Roma
On an evening in Roma
