

# Crashed

## Daughtry

Well I was movin' at the speed of sound  
Head spinnin' couldn't find my way around and  
Didn't know that I was goin' down  
Yeah, yeah  
Where I been, well its all a blur  
What I was lookin' for, I'm not sure  
Too late and didn't see it comin'  
Yeah, yeah Then I crashed into you  
And I went up in flames  
Could've been the death of me  
But then you breathed your breath in me  
Then I crashed into you  
Like a runaway train  
You will consume me  
But, I can't walk away  
Some how I couldn't stop myself  
Just wanted to know how it felt  
Too strong I couldn't hold on  
Yeah, Yeah  
Now I'm just tryin' to make some sense  
Out of how and why this happened  
Where we're headed, there's just no knowin'  
Yeah, yeah And then I crashed into you  
And I went up in flames  
Could've been the death of me  
But then you breathed your breath in me  
Then I crashed into you  
Like a runaway train  
You will consume me  
But, I can't walk away  
From your face, your eyes  
Are burned into me  
You saved me, you gave me  
Just what I need  
Oh, just what I need And then I crashed into you  
And I went up in flames  
Could've been the death of me  
But then you breathed your breath in me  
Then I crashed into you  
Like a runaway train  
You will consume me  
But, I can't walk away Then I crashed into you (x5)

Like a runaway train  
You will consume me  
But I can't walk away, yeah
