

# Fa Fa

## Guster

when you look in the mirror, wish you were somebody else  
just a perfect reflection, you and no one else  
minutes run into hours, hours run into days  
you're still waiting for someone who never ever came

fa fa-fa fa-fa-fa-fa-fa

never be the same again

fa-fa-fa-fa-fa-fa-fa-fa

never be the same again

you were always saying something, you swear you'd never say again  
you were always saying something, you swear you'd never say again

fa-fa-fa-fa-fa-fa-fa-fa

never be the same again

fa-fa-fa-fa-fa-fa-fa-fa

never be the same again

go and run through the hallways, find your way to the door  
you will end up like always back where you were before  
then you look in the mirror, wish you were somebody else

but it's still your reflection, you and no one else

you were always saying something, you swear you'd never say again  
you were always saying something, you swear you'd never say again

fa-fa-fa-fa-fa-fa-fa-fa

never be the same again

fa-fa-fa-fa-fa-fa-fa-fa

never be the same again

No matter where you go, you'll never find your way home  
you'll never find your way home, no matter where you go  
you were always saying something, you swear you'd never say again  
you were always saying something, you swear you'd never say again

fa-fa-fa-fa-fa-fa-fa-fa

never be the same again

fa-fa-fa-fa-fa-fa-fa-fa

never be the same again
