

I Believe In Love

Barbra Streisand

Feeling love, that's all
That's enough for me
Yeah, that's e.
I see faces Covered up with empty eyes, empty spaces
Where there used to be a soul inside
Nothing and no one
Ever gets to you
Seems the wind
Could blow right thru you
Believen' gods that never knew you
I believe in love
I believe in love
I believe in feelin' good
And that's feelin' love
Now worry
Climbin' up your money tree
You've got to hurry
Monkey do and monkey see
You're on a one-way street and you're speeding
Missin' the signs you ought to be readin'
Passin' things you'll later be needin'
I believe love - What!
I believe it nobody sold
Always knew it nobody told
I believe in someone to hold me
I believe in love
I believe in love, I do
I believe in feelin' good
And that's feelin' love Feeling love, That's all
That's enough for me
I won't be, don't wanna be lonely
Sleeping in an empty bed
Shouldn't be only
A place to rest my head
I don't want to find myself on day
Waking up and looking at Monday
With some what's his name left from Sunday
I believe in Love - What? I believe it nobody sold
Always knew it nobody told
I believe in someone to hold me
I believe in love
I believe in love

I believe in feelin' good
Now everybody should
Believin' in
Believin' in
Believin' in
Love
