

# Kill City

## Iggy Pop & James Williamson

Iggy Pop/James Williamson

Kill City

Well I live here in kill city where the debris meets the sea

I live here in kill city where the debris meets the sea

It's a playground to the rich, but it's a loaded gun to me Well I'm sick of keeping quiet and I am  
the wild boy

I'm sick of keeping quiet and I am the wild boy

But if I have to die here first I'm gonna make some noise

(chorus)

give it up -- turn the boy loose

give it up -- turn the boy loose

give it up -- turn the boy loose

give it up -- turn the boy loose turn that boy loose! Yeah the scene is fascination man and  
everything's for free

The scene is fascination man and everything's for free

Until you wind up in some bathroom overdosed and on your knees

(chorus)

give it up -- turn the boy loose

give it up -- turn the boy loose

give it up -- turn the boy loose

give it up -- turn the boy loose

give it up -- turn the boy loose

give it up -- turn the boy loose
