

Adhd

Michael Christmas

Ya, Ha Ha there we go I sound cool now

lol

Ya

tick tick

you hear that I sound like a fucking magacian

lol

This that shit that make me wanna sit back and remember all the times that they was hating on a

nigga

lol

(wanna sit back and remember)

yo yo

This that shit that make me wanna sit back and remember all the times that they was hating on a

nigga

tick tick

tick tick

lol

Attention span on A.D.H

sneaker game on '88

overall like 2K

I'm top eight like its MySpace

migrated to the west for a second

they say I can't pay attention

can't afford it for the record

I can't bump you niggas records

cause you lying hella reckless

I be trying to neglect it but I fathered in pefection

In shop at six

when I was six I remember no one vouch for shit

I stay in trouble cause I'm always on some clouded shit

cause I aint wanna take that ritilin that clouds your shit

I'm skipping therpy to smoke cause it be loud as shit

and either side I'm fittin' coast and just be proud as shit

I know nobody ever thought that I'd amount to this

I know nobody ever thought it but but

but ADHD make you crazy so I

This that shit that make me wanna sit back and remember

it's the AD HD HD

This that shit that make me wanna sit back and remember

it's the AD HD HD

This that shit that make me wanna sit back and remember

it's the AD HD HD

This that shit that make me wanna sit back and remember

it's the AD HD HD
tick tick
tick tick
I did some shit y'all really hate
I'm on some shit now its really great
no lace number five grapes
watching air one mix tapes
can I get a little bank roll
couldn't be the president I had to change poles
and they call it paying dues
but I call it paying tolls
couldn't hit them lay ups so I had to lay low
to the first time that I spit something ADHD I'm focused
to the first that I hit something hoping my mom ain't notice
bet the first time that you win something you feel that shit golden
yo the first time I was on stage my teachers was chocking on dez
ADHD HD high def switching little right left say key
please
nigga we dont ever go to sleep
we just wait until we bored and start living they dreams
This that shit that make me wanna sit back and remember
its the AD HD HD
This that shit that make me wanna sit back and remember
its the AD HD HD
This that shit that make me wanna sit back and remember
its the AD HD HD
This that shit that make me wanna sit back and remember
its the AD HD HD
