

Sho Out

Jodeci

1, 2, 3, 4, clothes droppin' to the floor
4, 3, 2, 1, baby come and give me some
1, 2, 3, 4, clothes droppin' to the floor
4, 3, 2, 1, baby come and give me some
Come on, show out, this time
Come on, show out, this time
Come on, show out, this time
I'll tell you everything you want
Tell you everything you need
Tell you everything you want
Tell you everything you need
Girl no matter what your size
You just need to learn your body
You just need to give it time
Girl I know you'll be just fine
Girl then maybe later on
We can meet at candlelight
Girl then maybe later on
You can get a piece of mine
Girl then maybe later on
We can see your private parts
You're the reason who you are
Make yourself into a star
Come on, show out, this time
Come on, show out, this time
Come on, show out, this time
Come on, show out, this time
Girl you're everything I want
Girl you're everything I need
Girl with everything you are
Girl I'm guaranteed to be
Tell me everything you want
Girl I'm takin' care of your needs
Girl I love the way you are
It's about you and me
Girl look at these things I bought
Girl I hope you like the watch
Girl what's down in the box?
Red or black Guiseppes tonight?
So girl with everything you are
Girl slip on this lingerie
I just wanna be the one
Who's seeing you, baby
Come on, show out, this time

Come on, show out, this time
Come on, show out, this time
Come on, show out, this timeStrip, baby, strip, baby
Strip, baby, strip
This timeCome on, show out, this time
Come on, show out, this time
Come on, show out, this time
Come on, show out, this time
