

Champion (feat. Jitt n Quan)

Jake Paul

Blood, sweat, tears, yeah
Got no fears, no
It's my time, huh
Beating inside now
People tryna stop me
Odds all stacked against me
I'ma show the world that
It's better not to test me
'Cause
Bh, I'm a fuckin' champion
Bh, I'm a fuckin' champiooon
Grind and work, I do this st for fun
Phoenix, bh, I'm risin' like the sun
I'm a fuckin' lion, I'm the one
I am the one, if you not, then you last
LP and Jake came out to take the trash
Stay in your lane, if you don't, then you crash
Beat up your face like your face need a mask
I'ma show the world, just sit tight
Hit 'em with a left then a big right
Team Paul, now I gotta mid fight
Oh, it's a blackout, call it midnight
Champ gon' hit him with a great hook
Get up from the grass, it's not a great look
Jab to your face, how your face look
Posted on the gram, got the gram shook
Blood, sweat, tears, yeah
Got no fears, no
It's my time, huh
Spin inside now
People tryna stop me

Phoenix, bh, I'm risin' like the sun
I'm a fuckin' lion, I'm the one
You ain't been through what I've been through

Days where no food on the menu
One bed, three people
I used to sleep in the middle
Two faces on the pillow
Now tryna get to the Skrilla
I'ma fight until I get it
Knockin' out the competition
We came here on a mission
But they don't wanna see us winnin'
Team Paul with the RNBO
We ain't basic but we used to
See the most hated
Logan and Jake tonight
They will be crowned the greatest
Bh, I'm a fuckin' champion
Bh, I'm a fuckin' champiooon
Grind and work, I do this st for fun
Phoenix, bh, I'm risin' like the sun
I'm a fuckin' lion, I'm the one
Bh, I'm a fuckin' champiooon
Bh, I'm a fuckin' champiooon
Grind and work, I do this st for fun
Phoenix, bh, I'm risin' like the sun
I'm a fuckin' lion, I'm the one, yeah
I will not stop 'til I'm dead
Ice in my veins and my head
Fk all that st that's been said
We just be laughin' at hate
'Cause it just keep makin' us bread
I am the champ from my land
I got the game in my hand
I got my mind on the plane
Never was st wastman
But I kept on grindin' and I never gave a damn
Blood, sweat, tears, yeah
Got no fears, no
It's my time, huh
Spin inside now
People tryna stop me
Odds all stacked against me
I'ma show the world that
It's better not to test me
'Cause
Bh, I'm a fuckin' champion.
