

# Everybody's Everything

## Santana

Lead Vocal: Seems like everybody's waiting  
For a new change to come around. Background: Come around, come around, come around. Lead  
Vocal: Waiting for the day when the  
King, Queen of soul sing around Background: Sing around, sing around, sing around, sing  
around. Lead Vocal: You can understand everything's to  
share. Let your spirit dance brothers everywhere. Let your head be free,  
turn the wisdom key  
Find it naturally - see you're lucky to be.  
Dig this sound It's been round and round and round. You get out your cold feet ba-by  
Something on your back lay it down.  
Background: Lay it down, lay it down, lay it down. Lead Vocal: Don't you know honey maybe  
your light might shine this whole town Background: This whole town, this whole town, this  
whole town, sing around. Lead Vocal: Time for you to all get down  
Yeah do it Organ solo: Background: Get ready uh - Get ready Uh -  
Get ready uh - Get ready Uh - Lead Vocal: Dig this sound  
It's been round and round and round You can understand everything's to share. Let your spirit  
dance brothers everywhere. Let your head be free. Turn the wisdom key  
Find it naturally, see you're lucky to be  
Sing it loud  
It's time for you to all get down  
Yeah do it. Guitar solo:  
Background  
(8 times): Get ready Uh Lead Vocal: Sing it loud  
It's time for you to all get down  
Yeah do it.
