

# High Hopes (feat. Omar Apollo)

## Joji

[Joji:]

High hopes

High hopes

High hopes

High hopes A little messed up, do you feel it?

A little bit of this and a little bit of that

She wanna know which way I'm leanin'

Am I really made of this, am I really made of that?

And is it so bad if you need me?

Just a little bit, whoa, don't get rid of me, ayy

But love is so blind when you feel it (So blind)

Can't defeat it, hope you feelin' High hopes

High hopes

High hopes

High hopes

[Omar Apollo:]

I'ma talk like I don't really mean it

Bless me St. John's, I'ma act like I don't really need it

Bet you see these funds, they gon cheer me up, ayy

Brand new whip, sound like cheerio (Yeah, yeah)

Wake me up, Rey Mysterio (Ayy, yeah)

Wipe my eyes, can't see clearly, though

I been on the block, boy move soft like some cereal, ayy ayy High hopes, with you man, I  
wanna see you again

High hopes, with you man, I wanna see you again

I don't think you're good at keepin' secrets

All the bags on the floor make you heated, yeah

Blind my eyes boy too bright he got them sequins

Man, I hope you comin' back to cop that free shit

Back to cop that free shit

That's elite shit

[Joji:]

High hopes

High hopes

High hopes

High hopes
