

# Dancing Queen

Luka Bloom

You can dance, you can jive  
Having the time of your life  
See that girl, watch that scene  
Dig in the dancing queen Friday night and the lights are low  
Looking out for a place to go  
Where they play the right music  
Getting in the swing, you've got to look the king Anybody can be that guy  
The night is young and the music's high  
Feel the rhythm of music, everything is fine  
You're in the mood for dance  
And when you get the chance  
You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen, feel the beat of the tambourine You can dance, you can jive  
Having the time of your life  
See that girl, watch that scene  
Dig in the dancing queen You're a teaser, you can turn it on  
Watch them burn and then you're gone  
Anyone will do but you're in the mood for dance  
And when you get the chance You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen, feel the beat of the tambourine You can dance, you can jive  
Having the time of your life  
See that girl, watch that scene  
Dig in the dancing queen  
Dig in the dancing queen  
Dig in the dancing queen  
Dig in the dancing queen
