

Destination Unknown

Missing Persons

Life is so strange when you don't know
How can you tell where you're going to?
You can't be sure of any situation
Something could change and then you won't know
You ask yourself
Where do we go from here? It seems so all too near
Just as far beyond as I can see
I still don't know what this all means to me You tell yourself
I have nowhere to go
I don't know what to do
And I don't even know the time of day
I guess it doesn't matter any way
Life is so strange
Destination unknown
When you don't know
Your destination
Something could change
It's unknown And then you won't know
Destination unknown
Life is so strange
Destination unknown When you don't know
Your destination
Something could change
It's unknown
And then you won't know
Destination unknown
You ask yourself When will my time come?
Has it all been said and done?
I know I'll leave when it's my time to go
'Til then I'll carry on with what I know Life is so strange
Destination unknown
When you don't know
Your destination Something could change
It's unknown
And then you won't know Destination unknown
Life is so strange
Destination unknown
When you don't know
Your destination
And something could change
It's unknown
And then you won't know

Destination unknown
Life is so strange
