

# One More Night

Jordan Knight

Let's go Tossin' and turnin'  
Losin' hours everyday  
I keep yearnin'  
For a love that went away Cause, I can't fall asleep without you  
And I can dream no dream without you  
And it's a nightmare just to lay awake I need one more night (one more night)  
And in the mornin' if you don't love me darling  
I won't fight  
Just give me one more night  
To make it right  
And in the mornin' if you don't love me darling  
I won't fight  
Give me one more night To prove my love Let's go  
So where are you now? (where are you now?) Are you layin' in bed in someone else's arms?  
And I don't know how (how) To live my life without your heart ohhh  
Cause I can't fall asleep without you  
And I can dream no dream without you  
And it's a nightmare just to lay awake ohhh I need one more night (one more night)  
And in the mornin' if you don't love me darling  
I won't fight  
Just give me one more night  
To make it right  
And in the mornin' if you don't love me darling  
I won't fight  
Give me one more night  
To prove my love, to prove my love to you  
Give me one more night  
To prove my love, to prove my love I need one more night (one more night)  
And in the mornin' if you don't love me darling  
I won't fight  
Just give me one more night  
To make it right  
And in the mornin' if you don't love me darling  
I won't fight  
Just give me one more night
