Intro

Yeah umm

See it's situations like this
That causes us players to get caught up
In umm the truth

Yeah

What you doing, where you been?
I paged you and you ain't hit me back
I been callin' and I know you see my number on that caller I.D.
Just listen to the words

Verse 1

I got reason to believe that you've been foolin' around
The way you feel, the passion in us
The things you did
It don't matter to me
For what it's worth just don't lie to me
Cause that ain't what I need right now
Baby, everything we built on trust
You're tearing it down

Cause I know the truth hurts (truth hurts)Chorus

Tell me the truth now

What cha been doing and who

Ya been doing it with (truth hurts)

Where you been going and

How you been putting ya thing down (truth hurts)

Whatever youz was working I

Hope that it was worth it baby (truth hurts)

I got reason to believe that you been foolin around

Verse 2

Girl, I'm really tryin hard to understand

I want to move on and put it in the past

Cause, you claim that you ain't doin' nothing

Must be my insecurities
