

# Torn Down

## Art of Dying

I will not fail not fade away  
I won't give into the violence  
I will not drown, I will not rage  
I won't get lost in the silent screams  
That fall on me I'm sick of  
Getting torn down  
I'm sick of  
Getting back up  
I'm sick of  
Getting torn down  
I know I'm stronger  
Getting torn down  
I'm sick of  
Getting back up  
I'm sick of  
Getting torn down  
I know I'm stronger  
I have been scarred, I have been chained  
I've been alone with the darkness  
I've been the freak, I've felt the pain  
But I won't be shattered by all this hate  
No I'm not afraid I'm sick of  
Getting torn down  
I'm sick of  
Getting back up  
I'm sick of  
Getting torn down  
I know I'm stronger  
Getting torn down  
I'm sick of  
Getting back up  
I'm sick of  
Getting torn down  
I know I'm stronger  
And I, I will rise up, I will survive  
And I, I carry on, cause I am alive I'm sick of  
Getting torn down  
I'm sick of  
Getting back up  
I'm sick of  
Getting torn down  
I know I'm stronger

Getting torn down  
I'm sick of  
Getting back up  
I'm sick of  
Getting torn down  
I know I'm stronger  
Getting torn down  
I'm sick of  
Getting back up  
I'm sick of  
Getting torn down  
I know I'm stronger  
Getting torn down  
I'm sick of  
Getting back up  
I'm sick of  
Getting torn down  
I know I'm stronger, stronger
