Just come in it and spit it

So when ya gone for a minute

I just fantasize like if it's you It's all in it

Then I'm satisfied til' you come back to me

Holdin stack and jewels

V-i-t-a and my nigga J-a RULE baby

[Chorus:]

[Ashanti:]

RULE baby can always count on me
No you don't ever have to worry
You know I'll make it in a hurry

Nobody ever come before me
You'll always be my one and only

And if I died Kill for me? (Yeah Yeah)

Are you trustin me? (Yeah Yeah)

Are you lovin me? (Yeah Yeah Yeah)

Yeah let's get it grinnin

Like we asked for the Simpsons or Ike and Anna Mehoe

On one their good days

You smile like sun rays 5'5 with brown eyes and thick legs

Only for the RULE baby

[Chorus:]

[Charlie Baltimore:]

Now baby I told you I can show you better than I can tell you

Don't try to bring conversey and mail

Just sweet words and naked photos

I'm still that pretty down down ass 2 cars behind ya 6

And I diss any clown ass rockin my brown ass only a down ass

And it's all for you

I'm grown a tad bit since we been at like rare bitches

To move a little bumper and it's

([Ja Rule:] AND IT'S ALL FOR RULE)

Shit Who gon' love you like that?

Thug with you wit a stack to the ceilin

And spilt in the dub with you

'cause I played my position with KO-D's, O G's

Until that blood shed blood red and we O-Ded

Remember every word that ya told me

([Ja Rule:] SHOWED ME HOLD ME)

All you need in your life is Chuck, drugs, and dubs on 22's

Now tell me who the hunny for you

CHUCK

[Chorus x2]
