

# Freak

## Doja Cat

Freak like me  
You want a good girl that does bad things to you  
You never been with no one as nasty as me  
Spice up your life, come get a freak  
Do, do-do, do-do, do-do  
Freak like me  
Tied him down to my queen bed  
Tease him just enough to hate me (Hate me)  
Tied it tight enough, he can't break free (Break free)  
Keep him waiting 'til he try  
This can go one of two ways  
We could flip the coin, I'll be your slave (Ooh-ooh-ooh)  
Call you daddy, give me a nickname (Ah)  
I ain't afraid of a little pain (No, I ain't 'fraid of a little pain)  
Yo, yo, yo, yo (Ah)  
He wanted some'n else and he wanna be selfish  
He wanted them three rounds, DC had to come help him  
Look, I know your position  
Try to squeeze in the full nelson though  
Beat on it, beat, beat on it, mercy like a black belt give  
Daddy the grand master, daddy, I want it faster  
Them bitches you fuckin' with, I know they gon' need some practice  
So bring 'em along wit' ya, I'll teach 'em how to smash ya  
When I made a little mess on it, he told me to clean my act up  
Freak like me (Tryna freak you down)  
You want a good girl that does bad things to you  
You never been with no one as nasty as me  
Spice up your life, come get a freak  
Yo, yo, yo, yo, yo  
Yo, yo, yo, yo, yo (Like me)  
Yo, yo, yo, yo, yo  
Hey, I could take a big bat, bet that he thinkin' this a game  
Hey, batter, batter swing, you could put it on a swing  
Freak like a triple XXX flick, put her on a chain  
This pussy off the chain, this kitty insane  
I could fuck him in the rain, I could fuck him in the Range (Uh)  
I could fuck him every day (Uh), I'ma fuck him 'til he sang (Uh)  
Milkshake bring the boys to the yard, I'ma need the whipped cream  
Ain't ever been vanilla, honey, just wait until you get a taste  
Skirt off, fuck in the backseat  
Take that shirt off, baby, put it on me  
Got me like, "Yeewhaw," ride it like a horsey  
Kinda like see-saw, up and down on the D, give it to him  
Freak like me (Need a freak like me)  
You want a good girl that does bad things to you (You want a good girl)

You never been with no one as nasty as me  
Spice up your life, come get a freak  
Do, do-do, do-do, do-do (Now you need a freak)  
Freak like me  
Freak like me (You never, you never, you never been)  
You want a good girl that does bad things to you  
You never been with no one as nasty as me  
Spice up your life, come get a freak (You need a freak)  
Do, do-do, do-do, do-do (You need a freak)  
Freak like me (Like me, papa)Babe, you never been with no one nastier than me  
Oh, baby, baby, baby, baby, baby  
Put your head on my shoulder  
Hold me in your arms, baby  
Squeeze me oh so tight  
Show me that you love me too
