

Wasted Nights

ONE OK ROCK

Must be something in the water
Feel like I can take the world
Throw the weight up on my shoulders Cause I won't even feel the burn Don't be afraid to dive
Be afraid that you didn't try
These moments remind us why
We're here, we're so alive Let's live like we're immortal
Live just for tonight
We'll think about tomorrow, yeah
When the sun comes up
Cause by this time tomorrow
We'll be talking about tonight
Keep doing what we want, we want, we want
No more wasted nights
????????????????
????????????????
Don't be afraid to dive
????????
These moments remind us why
???????? Let's live like we're immortal
Live just for tonight
We'll think about tomorrow, yeah
When the sun comes up
Cause by this time tomorrow
We'll be talking about tonight
Keep doing what we want, we want, we want
No more wasted nights I don't wanna wait, I don't want to waste a night
I don't wanna wait, I don't want to waste a night
I don't wanna wait, I don't want to waste a night
I don't wanna wait, I don't want to waste a night
Let's live like we're immortal
Live just for tonight
We'll think about tomorrow, yeah
When the sun comes up
Cause by this time tomorrow
We'll be talking about tonight
Keep doing what we want, we want, we want
No more wasted nights I don't wanna wait, I don't want to waste a night
I don't wanna wait
No more wasted nights
