

Right Now

Moneybagg Yo

I'm counting faces, ducking cases
I'm seeing new shit, I'm traveling places
I'm counting faces, ducking cases
I'm seeing new shit, I'm traveling places I'm pourin' up lean, I'm throwin' back pills, I'm deep in
the field right now

I'm thinkin' 'bout niggas I lost, I wish they could see how I live right now
I come from the bottom, I could've got shot up, thank god I'm here right
I'm rockin' red bottoms and you so beneath me, I know you can see 'em right now

It's just me and my niggas and that's how I feel right now
I don't fuck with you period and that's how it is right now
All this pain I got in me, I'm holding back tears right now
It's just me and my niggas and that's how I feel right now

Thinkin' 'bout my nigga that's incarcerated
Before I did he said I'll make it
I had big dreams, he know I'll chase 'em
Told me don't rush it, just have patience
Only drink heavy, hear it in my conversation
I get at the paper with no limitations
Only fuck with my niggas, I'm segregated
They'll knock that shit off with no hesitation right now

I'm on my high horse shit right now
You the asphalt, I'm in the sky
All you seen was a foreign machine
If I pull off and ride by right now
I ain't got one, I got two bitches right now
One of 'em say that she doin' me right now
Other one don't know what to do with me right now, right now, right now

I'm counting faces, ducking cases
I'm seeing new shit, I'm traveling places
The bitches I'm fuckin' ain't no basic
I'm draped in this Gucci, Rachel Davis, yeah
My Rollie be flooded with carats right now

I feel a lil jazzy right now
I'm fuckin' the baddest right now
She callin' me zaddy right now, hey
I'm pourin' up lean, I'm throwin' back pills, I'm deep in the field right now
I'm thinkin' 'bout niggas I lost, I wish they could see how I live right now
I come from the bottom, I could've got shot up, thank god I'm here right
I'm rockin' red bottoms and you so beneath me, I know you can see 'em right now
It's just me and my niggas and that's how I feel right now
I don't fuck with you period and that's how it is right now
All this pain I got in me, I'm holding back tears right now

It's just me and my niggas and that's how I feel right now
When I be on the road and I look out
the window I be thinkin' 'bout Sleepy and Lo
I be thinkin' 'bout where I was at 'fore I started gettin' 20K for a show
I'm in position right now
So I chop up the check with my woes
We got millionaire squad goals
And we not fallin' out 'bout these hoes, for real
They label me the hottest in it right now
They probably mad 'cause I'm winning right now
Or 'cause I'm ballin' and they benchin' right now
I'm grippin' the semi for tension right now
Your bitch feel me and she with me right now
You tip her but she say I do it better
I'm like fuck a purse, diamonds are forever
Got her shining hard, padded leather, ooh
I ain't gon' lie, right now I'm on a couple drugs
Got me super geeked up
I walk to the car while I'm clutching my heater
'cause niggas want stripes like a pair of Adidas
Won't get 'em off me though
I'm sending shots out, DJ
Now it's holes in your shirt like Kanye West clothes
I'm solid as they come, I'll never fold
I'm pourin' up lean, I'm throwin' back pills, I'm deep in the
field right now
I'm thinkin' 'bout niggas I lost, I wish they could see how I live right now
I come from the bottom, I could've got shot up, thank god I'm here right
I'm rockin' red bottoms and you so beneath me, I know you can see 'em right now
It's just me and my niggas and that's how I feel right now
I don't fuck with you period and that's how it is right now
All this pain I got in me, I'm holding back tears right now
It's just me and my niggas and that's how I feel right now
