

# Val Kilmer

## Bowling for Soup

I always thought my movie would be a comedy  
Not quite the tragedy that it's become  
More slapstick than chick-flick  
More 'Caddyshack' than 'Breakfast At Tiffany's'  
So, thank me at the podium  
For a lifetime of contribution  
Turn on the cameras, someone cue the extras  
Hair and makeup, to the set  
Because the big screen's calling  
Final casting call  
It's your big shot, baby  
You're the next big star  
Of another stupid movie  
'Bout a guy with a broken heart  
Who's falling apart  
You're headed for the cutting room floor  
(Headed for the cutting room floor)  
And in the sequel, honey  
I'm the guy who gets the girl  
So if you miss my movie, get the DVD  
Check out the chemistry between you and me  
Less 'Raising Arizona'  
More 'Steel Magnolias'  
So when you walk down that red carpet  
I hope you trip and fall  
I hope someone squirts you with a water gun  
A super soaker filled with pee  
Because the big screen's calling  
Final casting call  
It's your big shot, baby  
You're the next big star  
Of another stupid movie  
'Bout a guy with a broken heart  
Who's falling apart  
You're headed for the cutting room floor  
(Headed for the cutting room floor)  
And in the sequel, honey  
I'm the guy who gets the girl  
All apologies to Kevin Costner  
And that chick from 'Monster'  
Give me Adam Sandler, Will Ferrell  
Belushi and even Val Kilmer  
He was funny in 'Real Genius'  
What about 'Top Gun'?  
No, 'Top Gun' wasn't funny, whatever  
'Top Secret' was funny too  
But he sucked as Batman  
Because the big screen's calling  
Final casting call  
It's your big shot, baby  
You're the next big star  
Of another dumb movie  
'Bout a guy with a broken heart

I'm falling apart Steven Spielberg's calling  
And he's sending a car  
It's your big shot, baby  
You're the next big star Of another stupid movie  
'Bout a guy with a broken heart  
Who's falling apart You're headed for the cutting room floor  
(Headed for the cutting room floor)  
And in the sequel, honey  
I'm the guy who gets the girl Who gets the girl  
I'm the guy that gets the girl  
(Adam Sandler, Will Ferrel, Belushi and Akroid)  
Who gets the girl  
(Chris Farley, Bill Murray in Stripes)  
I'm the guy that gets the girl (Eddie Murphy 'til 90, Chris Rock and John Candy)  
Who gets the girl  
(The cast of Hollywood Knights)  
I'm the guy that gets the girl (Mike Myers, Jim Carry and the Farelly Brothers)  
Who gets the girl  
(Are more my style)  
I'm the guy that gets the girl (Terms Of Endearment, I didn't get it)  
Who gets the girl  
(I'd much rather shut up and smile)  
I'm the guy that gets the girl (Adam Sandler, Will Ferrel, Belushi and Akroid)  
Who gets the girl  
(Chris Farley, Bill Murray in Stripes)  
I'm the guy that gets the girl (Eddie Murphy 'til 90, Chris Rock and John Candy)  
Who gets the girl  
(The cast of Hollywood Knights)  
I'm the guy that gets the girl
