

Sunny

Bryan Adams

nny, yesterday my life was filled with rain
Sunny, you smiled at me and really eased the pain
The dark days are gone, and the bright days are here
My Sunny one shines so sincere
Sunny one so true, I love you Sunny, thank you for the sunshine bouquet
Sunny, thank you for the love you brought my way
You gave to me your all and all
Now I feel ten feet tall
Sunny one so true, I love you Sunny, thank you for the truth you let me see
Sunny, thank you for the facts from A to C.
My life was torn like a windblown sand
And the rock was formed when you held my hand
Sunny one so true, I love you
Sunny, thank you for the smile upon your face
Sunny, thank you for the gleam that shows its grace
You're my spark of nature's fire
You're my sweet complete desire
Sunny one so true, I love you Sunny, thank you for the smile upon your face
Sunny, thank you for the gleam that shows its grace
You're my spark of nature's fire
You're my sweet complete desire
Sunny one so true, I love you Sunny I love you
I love you, Sunny
I do Sunny I love you Thank you for the sunshine bouquet
Thank you for the love you brought my way
Sunny
Sunny I love you
Yes I do
I love you, Sunny
Sunny I love you Sunny
I love you, Sunny
