

Ghost of Me

Daughtry

Thought it was dead and buried
Then it woke you up last night
You sounded so damn worried
You've been tossin', turnin', both ends burnin'
I wanna put your mind at ease again
Make everythin' alright
I know it's gettin' underneath your skin
I've tried to tell you now
Don't look over your shoulder
'Cause that's just the ghost of me
you're seein' in your dreams
Wait, there's no rhyme or reason
Sometimes there's no meanin' in the visions
when you're sleepin'
Don't wake up and believe them
You're lookin' at the ghost of me
You're lookin' at the ghost of me
With your imagination and emotions
runnin' wild
Fuelin' my frustration like a fire
burnin', clock keeps turnin'
I know it's gettin' underneath your skin
I've tried to tell you now
Don't look over your shoulder
'Cause that's just the ghost of me
you're seein' in your dreams
Wait, there's no rhyme or reason
Sometimes there's no meanin' in the visions
when you're sleepin'
Don't wake up and believe them
You're lookin' at the ghost of me
You're lookin' at the ghost of me
You're lookin' at the ghost of me
You're lookin' at the ghost of me
You're lookin' at the ghost of me
You're lookin' at the ghost of me
