

# Shelter

## Porter Robinson & Madeon

I could never find the right way to tell you  
Have you noticed I've been gone?  
Cause I left behind the home that you made me  
But I will carry it along It's a long way forward  
Trust in me  
I'll give them shelter like you've done for me  
And I know  
I'm not alone  
You'll be watching over us  
Until you're gone  
When I'm older, I'll be silenced beside you  
I know words won't be enough  
And they won't need to know our names or our faces  
But they will carry on for us It's a long way forward  
Trust in me  
I'll give them shelter like you've done for me  
And I know  
I'm not alone  
You'll be watching over us  
Until you're gone  
It's a long way forward  
Trust in me  
I'll give them shelter like you've done for me  
And I know  
I'm not alone  
You'll be watching over us  
Until...
