

# Lights Out

Rick Astley

On the empty streets of this nowhere town  
The melting shadows fade  
And the dark is creeping up on me again  
In between these sheets where I laid you down,  
I tried to find some rest  
So I reach out for the switch, but why pretend? Cause I can't turn the lights out, now  
I'll see your face  
No, I can't turn the lights out, now  
My heart will break  
Cause everything I see,  
Will end up killing me,  
All over, all over again  
So I can't turn the lights out  
Turn the lights out  
(Turn the lights out)  
There's a clock that stopped tickin' by the bed  
The second you were gone  
And it feels just like my heart stopped beating too  
Cause it's hard to keep those promises,  
I made when I was strong  
Now I'm haunted by the ghost of you And I can't turn the lights out, now  
I'll see your face  
No, I can't turn the lights out, now  
My heart will break  
Cause everything I see,  
Will end up killing me,  
All over, all over again  
No, I can't turn the lights out  
Turn the lights out  
(Turn the lights out)  
It's so hard holdin' on  
It's so hard letting go  
It's so hard holdin' on  
Don't you know? Don't you know? I can't turn the lights out, now  
I'll see your face  
I can't turn the lights out, now  
My heart will break  
Cause everything I see,  
Will end up killing me,  
All over, all over again  
So I can't turn the lights out  
Turn the lights out

(Turn the lights out)  
So, I can't turn the lights out  
(Turn the lights out)  
(Turn the lights out)
