

All That's Known

Jonathan Groff

MELCHIOR

All that's known

In History, in Science

Overthrown

At school, at home, by blind men You doubt them,

And soon they bark and hound you

Till everything you say is just another bad about you All they say

Is Trust in what is written

Wars are made

And somehow that is wisdom Thought is suspect

And money is their idol

And nothing is okay unless it's scripted in their Bible

But I know

There's so much more to find

Just in looking through myself, and not at them Still, I know

To trust my own true mind

And to say there's a way through this On I go

To wonder and to learning

Name the stars and know their dark returning I'm calling

To know the world's true yearning

The hunger that a child feels for everything they're shown You watch me

Just watch me

I'm calling

And one day all will know

You watch me

Just watch me

I'm calling

And one day all will know
