## I Don't Want To Lose Your Love

## Freddie Jackson

They can take all my money That won't bring me pain The power of love inside me Beats all material thingsThey can have all me possessions And scandalize my name I can handle all the pressure If your love only stays the sameI don't wanna lose your love 'Cause you mean the world to me I don't wanna lose your love And all that we've come to beAs we lay here together And I'm so into you Nothing else could be better Than the things that we do, no Our love grows beyond measure It flows endlessly You give me so much pleasure You're the only one I needI don't wanna lose your love 'Cause you mean everythin' to me See, I don't wanna lose your love And all that we've come to be See, I don't wanna lose your love You mean everythin' to me I don't wanna lose your love And all that we've come to beOh, they can take all my money I don't wanna lose it, I don't wanna lose it I don't wanna lose it, I don't wanna, I don't wanna I don't, I don't wanna lose your love No, no, no, no, no, no my baby They can scandalize my name Take all my possessions But I don't wanna lose your loveNo, no, no, no, no, no, no You mean everythin' to me, I, I don't wanna, oh
