

Suffer Me

Alcatraz

The cold December day I came
You knew me well but I was a stranger
 You suffer me
 Why you suffer me
 Oh suffer me
Why you suffer me I touched you
 You felt my heart
Then I was born the second son
 Oh how you suffer me
 Oh you suffer me, Oh
 Suffer me
Why did you suffer me
 Oh suffer me
 Why did you?
 How could you?
 Suffer me
 Suffer me
