

# Flavor

Maren Morris

[Verse 1]

You're gonna water down the words, sugar up my spice  
Sometimes the truth don't always come out nice  
Just gonna do me and you don't have to listen  
If you don't like the heat, then get out of the kitchen[Chorus]  
I'm cookin' up my own flavor  
Even if it ain't your style  
Yeah, only see one way up  
Original could take a while  
Making a mess, straight out of scratch  
Think what you think about that  
Well I'm just trying to make good a little bit greater  
I'm cookin' up my own flavor  
I'm cookin' up my own flavor

[Verse 2]

If it ain't familiar, it's 'cause you ain't had it yet  
Even if you don't like it, I bet you won't forget  
There's always one or two pushing on the envelope  
So I'ma raise a glass to you if you one of those[Chorus]  
I'm cookin' up my own flavor  
Even if it ain't your style  
Yeah, only see one way up  
Original could take a while  
Making a mess, straight out of scratch  
Think what you think about that  
Well I'm just trying to make good a little bit greater  
I'm cookin' up my own flavor  
I'm cookin' up my own flavor

[Bridge]

Yeah, I'm a lady, I make my dough  
Won't play the victim, don't [?]  
I say my peace, don't do what I'm told  
Shut up and sing? Oh, hell no, I won't[Chorus]  
I'm cookin' up my own flavor  
Even if it ain't your style  
Yeah, only see one way up  
Original could take a while  
Making a mess, straight out of scratch  
Think what you think about that  
Well I'm just trying to make good a little bit greater  
I'm cookin' up my own flavor

I'm cookin' up my own flavor
