

007 Is Also Gonna Die

Nephew

What is black and what is brown?
What is field and what is town?
What is silence, what is shout?
What is fear and what is doubt?007 is also gonna die
Bond, James Bond himself is bound to dieWhat is less in less is more?
What if god won't bless the whore?
What if words like boy and girl
Did not rhyme with joy and world?007 is also gonna die
Bond, James Bond himself is bound to die
He's bound to die
