

# Steve Berman

## D12

Hey Steve, Vanessa said you wanted to see me  
Marshall, I can call you Marshall, right?  
Sure  
Good, sit the fuck down for a second  
Okay Do you just fuckin' hate me?  
Hate you?  
What the fuck have I ever done to you?  
Your last record, we got lucky  
This D12 album is fucked  
What's wrong with it?  
I don't wanna rape my grandmother  
I don't wanna have sex with pitbulls  
I wanna roll on dubs, I want throw bows, I wanna rock prada  
Rock prada? And who the fuck is this bizarre guy?  
What do you mean  
Do you need a cat-scan?  
Where the fuck did you find this guy?  
I mean, I've known him like  
This album's never coming out  
Steve, you've only heard one song  
Fuck you  
Get the fuck outta here  
Now  
Okay, okay, shit
