

# Farewell

## UNKLE

And when I see  
And if I walk  
And when I run away  
Hold me in your arms  
Don't let go  
Hold me in your arms  
And when I run away  
Hold me in your arms  
And when I see  
And if I walk  
And when I run away  
Hold me in your arms  
Don't let go  
Hold me in your arms  
And when I run away  
Hold me in your arms  
And when I see  
And if I walk  
And when I run away  
Hold me in your arms  
Don't let go  
Hold me in your arms  
And when I run away  
Hold me in your arms  
And when I see  
And if I walk  
And when I run away  
Hold me in your arms  
Don't let go  
Hold me in your arms  
And when i run away  
Hold me in your arms  
And when I see  
Hold me in your arms
